Legal Definition of

Misappropriation :

Does "intent to deprive..."

or

"misappropriation"

involve immediacy or a time period

can we
phase
a law get
there
some
need
explana to

4:32 Theft

① NO DURESS

② ... did so without authorization and with the intent to deprive the owner of property.

Does #2 imply intent at the time "that the defendant took and carried away the property..." or can intent be determined by the actions of the defendant at a later date and time.

You should rely on the instruction on page 20 as it is written. AS to "intent" you should consider the instruction on page 17.
