The Honorable Marilyn J. Mosby
State's Attorney for Baltimore City
120 East Baltimore Street, 9th Floor
Baltimore, Maryland 21202

Dear State's Attorney Mosby:

Our office has received Public Information Act requests for two documents that you referred to in your Motion to Vacate Judgment in the case of *State of Maryland v. Adnan Syed*.

We are able to identify one of those documents. It is the one you quote in your motion at page 7. The other was described (also on page 7) as one in which "a different person relayed information that can be viewed as a motive for that same suspect to harm the victim." Because your office did not consult with us about the evidence you were relying upon, we cannot identify any such document. Please identify the second document to which you were referring.

We intend to release promptly the documents that we are able to identify. If you object to the production, please let us know before the close of business tomorrow.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian E. Frosh".

Brian E. Frosh
Attorney General of Maryland
